

QUALITY ASSURANCE WORKING GROUP
CHAIR: J. BRYCE CO-CHAIR: A. BRAND

Autumn 2017 Brainstorming follow-up

- Vendor assessment tools
 - Assessment of collaborating group (accepted by WG)
 - Generic assessment for trials (needs further development)
- Minimum requirements for centralized monitoring (accepted by WG)
- Regulatory session recommendations
 - insurance and indemnity are main issues
 - Document for Latin America developed, need similar documents from other countries/regions (to be developed)

Next Steps?

- QA WG to become a sub committee of harmonisation
- Vendor assessment and monitoring requirements to stay with Harmonisation
- ? Regulatory to go to CCRN
