

Harmonisation Committee Report

Julie Martyn (ANZGOG)

Jane Bryce (MITO)

Housekeeping...

- Requested password protected area be added for uploading documents not appropriate to have available in public domain.
- GCIIG Group Contacts still a work in progress to update.
- GCIIG Guidebook to be reviewed and updated as required, with initial focus on Clinical Trial Agreement template.

Collaboration with other committees/working parties

- Ongoing areas of common interest with Translational Research Committee (Consent Form checklist, database of trial research samples)
- Symptom Benefit Working Party – shared interest in collating QOL instruments currently in use in GCIIG studies

Mentoring of new GCIIG members

- Informal arrangements in place with GEICO mentoring GICOM and JGOG mentoring KGOG
- Willing and able to expand this activity in line with Exec Board recommendations

Operations only session...

- Ongoing review of processes for classifying and reporting protocol deviations/violations
- Discussion of members audit processes in view of Exec Board recommendations to formalise this. Willing to contribute to QA working party as requested by Exec Board.
- Review of CCRN status and roster developing of Ops site visit reviewers.
