APPROVAL of REPORT from May 2018 (posted on GCIG website)

Motion: \_\_\_\_\_ Seconded: \_\_\_\_\_

### TO DO LIST

1. Create proposal — topics and presenters— for the SGO presentation
2. Plans for another “regional meeting” in Asia, probably Singapore
3. Follow-up on suggestion to work with MITO group on the “MITO Academy” as a pre-meeting education program of clinical trials methodology for junior and new investigations.
4. Form a sub-WG to work to “harmonize” our activities, which also serves as an “action group” — and to provide a template for the WHO input via T.Trimble.
5. Develop a joint education session proposal for the 2019 IGCS meeting in Rio
6. Plan strategy for follow-up meetings for PARSGO to try to facilitate their development at new cooperate trials groups
7. Upgrade our international meeting calendar on the website to incorporate the annual and other key meetings of all the groups that are listed in the GREAT group.
